Sale of Foulard
Silks and Robes.

Foulard in everything
this season, but in silks
for whole costumes in
particular, are selling
freely, and are at the
top notch of favor. If
you ask why, we will
have to give M. Dou-
cet's (one of the seven
sages of Paris) answer
when asked a similar
question. He said: "The
fashions are thus be-
cause they were not so
last season, and they
will be otherwise next
season because they are
thus now." This is a
sort of an enigma you
need not stop to un-
ravel. Read on.
